EASY AIR FRYER MUSHROOMS RECIPE

Garlic mushrooms are a great way to get mushroom haters into mushroom lovers. They're the perfect side dish to any dinner, especially with a fantastic steak. In other words, we're obsessed with air fried mushrooms and literally can make a dinner out of a big bowl of mushrooms!

CAN YOU USE CANNED MUSHROOMS?

No. We don't recommend air frying canned mushrooms for this recipe instead of fresh mushrooms. The canned mushrooms have too much liquid are already softened, so they will come out mushy when cooked in this recipe.
