Ingredients

- 2 ripe but firm bananas (peeled and sliced into 1/8-inch rounds)
- 1 tablespoon coconut oil or melted butter
- 1 tablespoon granulated sugar (or coconut sugar)
- 1/2 teaspoon ground cinnamon

Instructions

1. Prepare the Bananas:
Peel and slice bananas into thin, even rounds.
2. Coat with Cinnamon-Sugar:
Mix sugar and cinnamon in a small bowl. Toss banana slices with melted coconut oil or butter, then sprinkle with the cinnamon-sugar mixture to coat evenly.
3. Preheat the Air Fryer:
Preheat your air fryer to 350°F (175°C) for 3-5 minutes.
4. Air Fry the Chips:
Arrange banana slices in a single layer in the air fryer basket. Air fry for 8-10 minutes, flipping halfway through, until golden and crisp.
5. Cool and Serve:
Let the chips cool completely on a wire rack, where they will crisp further. Enjoy immediately or store for later.

Notes

- Use firm bananas for the best texture. Overripe bananas may not crisp properly.
- Adjust cinnamon-sugar ratios to suit your taste.
- To prevent sogginess, ensure slices don't overlap in the air fryer.
